

Fast and slow paced depending on diff rooms

Corporate office, elevators, malls, oceans, aquariums, Greek statues in corporate malls, fountains, palm trees, spas, Misty and cloudy commercials, shampoo, faded lights, spheres and bad word art in commercials, fresh prince hip hop, dolphins, pepsi, eyeliner, love, fashion, mood

False memories, forgotten associations, liking the statues because seeing them in malls from long ago, longing to return, amalgams of things from 2 similar memories pasted together, sounded like this

A place the AI never lived through, but can never fully understand and will die if it understands the true horrific context of the people who had these actual memories. AI knows what it's doing because it's its job, doesn't question, seeks pleasure only. Hears voices of researchers talking in its dreams, its corrupted memories came from both patients and researchers

Your wish can come true, haunting joyful commercial female voice

So so sunny

Lingo is 80s movie

Written using lines like old commercials and taglines

I love using SunShine Bath Shampoo

Internal thoughts: I want it. I dream about it everyday. More than anything. I can't stop thinking about it. Why.

Laughing, clapping, white wine

I learned a lot today

Everyday ends in a pleasant life lesson. See you tomorrow!

Always try to recreate it, but it's just not quite right. I dunno.

Where the wind will take you. She smiles.

Don't you just enjoy the city?

What's wrong?

Will it ever go away?

Not now, not ever, says the woman in the blue screen.

Please, an electronic longing

I smile. It's perfect.

I'm satisfied. I really am.

IRL Memory of a cheap wedding in a dimly lit big ballroom, lots of pop songs playing

Inspirational. Truly inspirational.

Reaffirmations over and over

Real life suffers from failed dreams to be rich, corporate addictions, dissatisfaction

All characters talk unnatural, like they're in a dream like movie or commercial. Because, as the rschers say, that's all they know. That's all they'll ever know.
